INFORMACIÓN PRIVILEGIADA

In respect of the 2024 Notes, for the avoidance of doubt and in accordance with market convention, the relevant Purchase Price shall be calculated with reference to the relevant First Optional Call Date specified in the table above

Should the Settlement Date in respect of any of the 2024 Notes accepted for purchase pursuant to the Offer differ from 23 June 2021, the Purchase Price for the 2024 Notes will be recalculated to the new Settlement Date, all as further described in the Tender Offer Memorandum.
- (4) The Offeror reserves the right, in its sole and absolute discretion and for any reason, to accept significantly less or significantly more than such amount for purchase pursuant to the Offer.

Acceptance of the 2023 Notes

Subject to the Offer Conditions contained in the Tender Offer Memorandum, the Offeror will accept for purchase any and all of the 2023 Notes that are validly tendered, with no *pro rata* scaling.

Acceptance of the 2024 Notes

Subject to the Offer Conditions contained in the Tender Offer Memorandum, the Offeror will accept valid tenders of the 2024 Notes until either (i) it has accepted all of the 2024 Notes validly tendered and eligible for purchase, or (ii) the aggregate principal amount of all 2024 Notes which have been so accepted by the Offeror is such maximum amount that can be accepted without exceeding an amount to be announced by the Offeror as soon as reasonably practicable after the pricing of the New Notes (the “**Acceptance Amount**”), subject to the Offeror’s right to modify such amount at its sole discretion for any reason.

Scaling of the 2024 Notes only

2024 Notes validly tendered but which have not been accepted for purchase by the Offeror (including where such non-acceptance is as a result of pro-rata) will remain outstanding subject to the terms and conditions of such Notes and will be unblocked in the respective Clearing System (as defined below) as soon as possible after the Settlement Date.

During the Offer Period, Noteholders must submit or arrange for the submission of a Tender Instruction (as defined below) to the Tender Agent via the relevant Clearing System (as defined below) as detailed in the Tender Offer Memorandum. Such Tender Instruction (as defined below) must be received by the Tender Agent at or prior to the Expiration Deadline.

Purchase Price and Offer Period

The Offeror will, on the Settlement Date, pay for Notes validly tendered and accepted by it for purchase pursuant to the Offer, a cash purchase price (expressed as a percentage (rounded to the nearest 0.001 per cent. with 0.0005 per cent. being rounded upwards) of the principal amount of the Notes of the relevant Series) (the “**Purchase Price**”) to be determined as set out in the Tender Offer Memorandum.

The Purchase Price applicable to the 2023 Notes will be calculated by the Dealer Managers (in consultation with the Offeror) at or around the Pricing Time on the Pricing Date in accordance with market convention and will equal (a) the value of all remaining payments of principal and interest on the 2023 Notes up to and including the Settlement Date, discounted to the scheduled maturity date at a discount rate equal to the relevant Purchase Yield (which is the sum of the Reference Benchmark Yield and the Purchase Spread) minus (b) the relevant Accrued Interest (as defined below) for the 2023 Notes.

The Purchase Price applicable to the 2024 Notes equals (a) the value of all remaining payments of principal and interest on the 2024 Notes up to and including the First Optional Call Date of the 2024 Notes, discounted to the Settlement Date at a discount rate equal to a fixed Purchase Yield of -0.15 per cent., minus (b) the relevant Accrued Interest (as defined above) for the 2024 Notes.

For information purposes only, the Purchase Price in respect of the 2024 Notes will be 104.970 per cent. when determined in the manner described in the Tender Offer Memorandum on the basis of a Settlement Date of 23 June 2021. Should the Settlement Date in respect of any of the 2024 Notes accepted for purchase pursuant to the Offer differ from 23 June 2021, the Purchase Price for the 2024 Notes will be recalculated to the new Settlement Date, all as further described in the Tender Offer Memorandum.

The Offeror will pay accrued and unpaid interest in respect of all Notes of the relevant Series validly tendered and delivered and accepted for purchase by the Offeror pursuant to the Offer, from and including the interest payment date for such Notes immediately preceding the Settlement Date to but excluding the Settlement Date (“**Accrued Interest**”).

Notes repurchased by the Offeror pursuant to the Offer will be immediately cancelled. Notes which have not been validly tendered and accepted for purchase pursuant to the Offer will remain outstanding after the Settlement Date.

New Financing Condition

The Offeror hereby announces its intention to issue, under its €5,000,000,000 EMTN Programme, Euro denominated fixed rate notes (the “**New Notes**”), subject to market conditions. The Offeror is under no obligation to issue the New Notes. Whether the Offeror will accept for purchase any of the Notes validly tendered pursuant to the Offer is subject (unless such condition is waived by the Offeror in its sole and absolute discretion), without limitation, to the successful completion (in the sole and absolute determination of the Offeror) of the issue of the New Notes (the “**New Financing Condition**”).

Any acceptance by the Offeror, prior to satisfaction of the New Financing Condition, of Notes tendered for purchase shall be conditional upon satisfaction of the New Financing Condition. The Offeror reserves the right at any time to waive any or all of the conditions of the Offer (including the New Financing Condition).

Priority Allocation of the New Notes

The Offeror will, in connection with the allocation of the New Notes, consider among other factors whether or not the relevant investor seeking an allocation of the New Notes has, prior to such allocation (which will occur before the Expiration Deadline), validly tendered or indicated a firm intention to the Offeror or the Dealer Managers that it intends to tender Notes pursuant to the Offer and, if so, the aggregate principal amount of Notes tendered or intended to be tendered. Therefore, a Noteholder who wishes to subscribe for New Notes in addition to tendering its Notes for purchase may be eligible to receive, at the sole and absolute discretion of the Offeror, priority in the allocation of the New Notes, subject to the issue of the New Notes and such Noteholder also making a separate application for the purchase of such New Notes to the Dealer Managers (in their capacity as joint bookrunners of the issue of the New

Notes) or to any other manager of the issue of the New Notes in accordance with the standard new issue procedures of such manager. Any such preference will, subject to the sole and absolute discretion of the Offeror, be applicable up to the aggregate amount of Notes tendered or firmly intended to be tendered by such Noteholder pursuant to the Offer. However, the Offeror is not obliged to allocate the New Notes to a Noteholder who has validly tendered or indicated a firm intention to tender Notes pursuant to the Offer and, if New Notes are allocated, the principal amount thereof may be less or more than the principal amount of Notes tendered by such Noteholder and accepted by the Offeror pursuant to the Offer.

In addition, all allocations of the New Notes, while considering any firm indications of intentions to validly tender Notes (as well as any valid tenders of Notes) as set out above, will be made in accordance with customary new issue allocation processes and procedures. If a Noteholder validly tenders Notes pursuant to the Offer, such Notes will remain subject to such tender, and the acceptance by the Offeror of such tenders will remain subject to the conditions set out in the Tender Offer Memorandum, irrespective of whether that Noteholder receives the entirety, only parts of or none of the allocation of New Notes for which it has applied.

Rationale

The purpose of the Offer and the proposed issue of the New Notes is to extend the Offeror's debt maturity profile in an efficient manner. Notes repurchased by the Offeror pursuant to the Offer will be cancelled.

With respect to the 2023 Notes, the Offeror currently expects to exercise, on a redemption date following the Settlement Date, its right to redeem (pursuant to the terms and conditions of the 2023 Notes) any and all of the 2023 Notes not purchased by the Offeror in the Offer, if any, at the make whole redemption amount (the "**Make Whole Amount**") to be calculated in accordance with the terms and conditions of the 2023 Notes. The Make Whole Amount will be calculated by reference to the 1.50 per cent. German Bund due 15 May 2023 (ISIN: DE0001102317) plus a spread of 40 bps (all as described in more detail in the terms and conditions of the 2023 Notes) and may be more or less than the Purchase Price to be paid pursuant to the Offer. However, there can be no assurance that any 2023 Notes will be so redeemed. The Offer does not constitute a notice of redemption under the optional redemption provisions of the terms and conditions of the 2023 Notes.

Acceptance of Tender Instructions and pro-rata

In the event that Tender Instructions are received in respect of an aggregate principal amount of the 2024 Notes which is greater than the Acceptance Amount, such Tender Instructions may be accepted on a *pro rata* basis.

Such *pro rata* allocations will be calculated in relation to the 2024 Notes by multiplying the aggregate principal amount of the 2024 Notes represented by each validly submitted Tender Instruction by a factor equal to (i) the maximum aggregate principal amount of the 2024 Notes that are to be accepted by the Offeror for purchase without exceeding the Acceptance Amount, divided by (ii) the aggregate principal amount of the 2024 Notes that have been validly tendered in the Offer, subject to the rounding adjustments described in the Tender Offer Memorandum.

Acceptance Date and Settlement

Notes validly tendered and not validly withdrawn pursuant to the Offer may be accepted by the Offeror for purchase, if no extension of the Offer has occurred, on the "**Acceptance Date**" (expected to be 21 June 2021). Such acceptance is at the sole discretion of the Offeror and tenders may be rejected by the Offeror for any reason.

Noteholders who want to participate in the Offer and who are not a direct participant of Euroclear Bank SA/NV or Clearstream Banking, S.A. (together, the "**Clearing Systems**" and each a "**Clearing System**") must submit their Tender Instructions by way of instructing the bank or custodian through which they hold the Notes (the "**Custodian Bank**") to submit the Tender Instruction or to arrange for the direct participant of the relevant Clearing System through which the Notes are held to submit the Tender Instruction.

The offer by the Noteholders to tender the Notes pursuant to the Offer will occur upon receipt by the Tender Agent through the relevant Clearing System of valid Tender Instructions specifying the Notes and the principal amount to be tendered in accordance with the requirements of such Clearing System. The receipt of such Tender Instructions by each Clearing System will be acknowledged in accordance with the standard practices of that Clearing System and will result in the blocking of the relevant Notes in such Clearing System so that no transfers may be effected by Noteholders in relation to such Notes, from the date the relevant tender of Notes is made until the earlier of (i) the time of settlement on the Settlement Date (in which case the Notes will not be returned to the respective Noteholders) and (ii) the date of any termination of the Offer or on which the tender of such Notes is withdrawn, in the limited circumstances in which such withdrawal is permitted (in both cases the Notes will be unblocked and returned to the respective Noteholders). In the event that a *pro rata* allocation applies, any Notes not accepted for purchase due to pro-rata will be unblocked and returned to the respective Noteholders.

The Offer, in respect of which the Offeror has validly accepted Tender Instructions on the Acceptance Date (subject to the satisfaction of the New Financing Condition), is expected to be settled on 23 June 2021 or, in the event of an extension of the Offer Period, on such later date as is notified to the Noteholders by the Offeror (the “**Settlement Date**”). All purchases pursuant to the Offer will settle through the normal procedures of the Clearing Systems. On the Settlement Date, the Offeror will pay, or procure the payment of, the relevant Purchase Price plus Accrued Interest to all Noteholders whose Tender Instructions have been validly accepted by the Offeror pursuant to the terms and conditions of the Offer, subject to receipt of the relevant Notes.
