ORDINARY GENERAL MEETING OF SHAREHOLDERS (JUNE 2019)
OPERATING RULES FOR THE ONLINE SHAREHOLDERS' FORUM
DE INMOBILIARIA COLONIAL, SOCIMI, S.A.

The Online Shareholders' Forum of Inmobiliaria Colonial, SOCIMI, S.A. (the **"Company"**) is provided in accordance with the provisions of article 539.2 of the revised text of the Spanish Limited Liability Companies Law approved by the Royal Legislative Decree 1/2010, of 2 July, (the **"Limited Liability Companies Law"**), under the following operating rules (the **"Operating Rules"**).

1. USERS AND PURPOSE

The Online Shareholders' Forum (the **"Forum"**) will only be available to the Company's individual shareholders that are duly established and entered in the special Register provided for this purpose at the Spanish Securities Market Commission (the **"CNMV"**), in accordance with the provisions of article 539.4 of the Spanish Limited Liability Companies Law, with a view to facilitating communications between them prior to the General Meeting.

The Forum is not a channel to exchange communications between the Company and the registered users. In consequence, no communication made or published on the Forum may be considered a communication to the Company, nor will it replace in any way the requirements set forth in the Law and/or in the Company's corporate governance rules for the exercise of registered Forum users' rights as shareholders in the Company.

Shareholders and specific and voluntary shareholder associations must register beforehand in order to use the Forum, in accordance with the procedures in force at that time, in order to prove the user's identity and status as shareholder in the Company or member of a specific and voluntary shareholder association, duly constituted and registered with the CNMV. Legal entity shareholders and specific and voluntary shareholder associations must also prove the identity of the representative who intends to use the Forum.

Registering as a Forum user and/or the use thereof implies the full and unconditional acceptance of the terms and conditions included in these Operating Rules and the other terms and conditions specified in the Forum.

The registered users' access to and use of the Forum is conditional on their continuing to hold shares in the Company or remaining members of a specific and voluntary shareholder association duly constituted and registered in accordance with the applicable regulations.

The Company will be the Forum's administrator (the **"Forum Administrator"**) in the terms and with the powers set forth in the Operating Rules and holds the power of interpreting the same in the event of any doubt or disagreement in the implementation thereof.

2. PURPOSE OF THE FORUM

Registered users may send, for publication on the Forum, communications confined to the following subjects:

- (a) Reasoned proposed resolutions on issues that are already included or intended to be included in the General Meeting's agenda.
- (b) Requests for support for such proposed resolutions.
- (c) Initiatives drawn up by shareholders to achieve a sufficient percentage of votes in order to exercise a minority right as provided in the Law.
- (d) Offers or requests for voluntary representation.

As provided in article 519 of the Spanish Limited Liability Companies Law, the Company's shareholders who request the publication of a proposal as an addendum to the agenda, or a reasoned proposed resolution on issues that are already included in the agenda of the General Meeting that has been called, should represent at least 3% of the share capital.

3. CONTENT OF THE COMMUNICATIONS

The use of the Forum by users should always comply fully with current regulations and with these Operating Rules. The following are expressly forbidden:

Requests to publish communications should be made using the forms available in the Forum for this purpose.

Before publishing it, the Forum Administrator will ensure that the communication complies with the Operating Rules. If such communication fails to comply with any of the Operating Rules, the Forum Administrator may, at its discretion, decline to publish it, take it down at any time if it has already been published or request any amendments or changes be made to such communication to adapt it to the Operating Rules.
