

REPORT BY THE BOARD OF DIRECTORS OF INMOBILIARIA COLONIAL, SOCIMI, S.A. ON THE MOTION TO AUTHORIZE A CAPITAL INCREASE BY WAY OF NON-CASH CONTRIBUTIONS, CONSISTING OF SHARES IN SOCIÉTÉ FONCIÈRE LYONNAISE (SFL) OWNED BY SFL SHAREHOLDERS WHO TRANSFER THEIR SHARES AS PART OF THE TAKEOVER BID THAT THE COMPANY INTENDS TO FILE FOR SFL (SECOND ITEM ON THE AGENDA).

1. Purpose of the report

This report has been prepared by the Board of Directors of Inmobiliaria Colonial, SOCIMI, S.A. ("**Colonial**" or the "**Company**", together with the companies in its group, the "**Colonial Group**") in connection with a motion to authorize a capital increase of Colonial by way of non-cash contributions, consisting of shares in Société Foncière Lyonnaise ("**SFL**") owned by shareholders other than Predica Prévoyance Dialogue du Crédit Agricole ("**Predica**") and Colonial (the "**SFL Minority Shareholders**") who will transfer their SFL shares to Colonial as part of the takeover bid that the Company intends to file for SFL (the "**Offer**"). The aforementioned motion for a capital increase (the "**Capital Increase to be subscribed by SFL Minority Shareholders**"), submitted for approval by Colonial's General Meeting of Shareholders under second item on the agenda, is attached as an appendix to this report.

Pursuant to the provisions of Articles 286, 296 and 300 of the consolidated Spanish Limited Liability Companies Law approved by Legislative Royal Decree 1/2010, of 2 July, (the "**Spanish Limited Liability Companies Law**") and related provisions of the Commercial Registry Regulations approved by Royal Decree 1784/1996, of 19 July, the aforementioned motion put forward to the General Meeting of Shareholders of the Company requires this supporting report to be drawn up by the Colonial Board of Directors.

2. Motion for a capital increase by way of non-cash contributions

The Capital Increase to be subscribed by SFL Minority Shareholders is part of the agreements reached between SFL and Predica (and/or entities controlled by Predica), as well as between Colonial and Predica, which are described in section 2.1 below (the "**Agreements Reached**").

Colonial currently owns 38,018,307 SFL shares, representing approximately 81.7% of SFL's share capital, and has proposed the appointment of 8 SFL directors (out of a total of 14 directors). For its part, Predica currently directly owns 5,992,903 SFL shares, representing approximately 12.9% of SFL's share capital, and has proposed the appointment of 2 SFL directors.

2.1 Description of corporate transactions within the framework of the Agreements Reached

By virtue of the Agreements Reached, Predica will transfer to Colonial and SFL its entire direct stake in SFL's share capital through:

- (a) The subscription by Predica of a capital increase to be carried out by Colonial by way of non-cash contributions, by virtue of which Predica will transfer 2,328,644 SFL shares to Colonial, representing approximately 5.0% of SFL's share capital, as consideration for the subscription of 22,494,701 newly issued shares of the Company, representing approximately 4.1% of Colonial's share capital after the aforementioned capital increase (the "**Capital Increase to be subscribed by Predica**") and the Capital Increase to be subscribed by SFL Minority Shareholders in the event that the latter is subscribed in full.

The resolution for the Capital Increase to be subscribed by Predica is submitted for the approval of the General Meeting of the Shareholders of the Company under first item on the agenda.

- (b) The transfer by Predica to SFL itself of 3,664,259 SFL shares, representing approximately 7.9% of SFL's share capital, within the framework of a share buyback program of SFL for subsequent cancellation, concomitant with an exchange between SFL and Predica (or any entity controlled by Predica) of securities in joint ventures holding certain real estate assets of SFL in France (the "**Asset Exchange**", and together with the Capital Increase to be subscribed by Predica and with the Offer, the "**Transaction**").

As a consequence of the Asset Exchange:

- Predica will transfer to SFL the stake it currently has in SCI Washington⁽¹⁾ (34%) and Parholding S.A.S.⁽²⁾ (50%), companies belonging to the SFL group, with SFL owning as a result of the aforementioned transfers, all the shares of the said SFL subsidiaries.
- Predica (or any entity controlled by Predica) will acquire 49% of the shares of certain joint ventures with SFL over certain real estate assets belonging to SFL, resulting in SFL owning 51% of their share capital. The real estate assets concerned are: #cloud.paris⁽³⁾, 92 Champs Élysées⁽⁴⁾, Cézanne Saint-Honoré⁽⁵⁾ and 103 Grenelle⁽⁶⁾.

Furthermore, within the framework of the Agreements Reached, Colonial intends to file the Offer for all SFL shares owned by shareholders other than Colonial and Predica. The consideration for the Offer will be mixed consisting of cash and newly issued Colonial shares for the SFL shares which are subject to the Offer.

As the consideration for the Offer will consist partially in Colonial shares, Colonial's Board of Directors submits for the approval of the General Meeting of the Shareholders of the Company, under second item on the agenda, the resolution for the Capital Increase to be subscribed by SFL Minority Shareholders described in this report.

Taking into account the current number of outstanding SFL shares (46,528,974 shares), the number of SFL shares currently held by Colonial (38,018,307 shares) and the number of SFL shares currently held directly by Predica (5,992,903 shares), the maximum effective amount to be paid by Colonial as consideration for the Offer will be 117,478,868.24 euros and the maximum number of Colonial shares to be issued under the Capital Increase to be subscribed by SFL Minority Shareholders will be 12,588,820 shares, as consideration of the 2,517,764 SFL shares covered by the Offer representing approximately 5.4% of its share capital.

Therefore, SFL Minority Shareholders could become shareholders of Colonial and benefit from, inter alia, more liquidity than they currently have as SFL shareholders and a greater diversification of their financial exposure.

The Capital Increase to be subscribed by Predica referred to in first item on the agenda, the Asset Exchange and the Offer are expected to be carried out simultaneously insofar as the aforementioned corporate transactions are interrelated, although each of these transactions, due to their nature, are scheduled to be completed at different times, except the Capital Increase to be subscribed by Predica and the Asset Exchange which are expected to be completed simultaneously since they are both subject to the following condition precedents:

- Approval by the General Meeting of the Shareholders of the Company, on the basis of the relevant independent expert's reports, of the resolutions necessary to fulfill the Transaction.
- Approval by the French financial markets regulator (the "AMF") of the Offer and absence of recourse against the AMF's conformity decision regarding the Offer within the legal applicable time period (or, if a recourse has been filed, it has been dismissed or rejected by the Paris Court of Appeal).
- Clearance by the *collectivité* concerned of the right of urban pre-emption under the Asset Exchange or non-exercised by them within the legal applicable time (2 months period).
- Absence of any material loss (as defined in the Asset Exchange agreement) which has not been remedied by the date of satisfaction of the last of the aforementioned conditions precedent with respect to any of the properties owned by SCI Washington, Parholding, SAS Cloud, 92 Champs-Élysées, SCI Paul Cézanne and SCI 103 Grenelle.

(1): The company that owns the office building located in Paris, at 42 rue Washington, 75008.

(2): The company that owns the buildings located in Paris, at Galerie Champs Élysées, 90 Champs-Élysées, 75008 and 106 Hausmann, 75008.

(3): Office building located in Paris, at 6 rue Ménars, 75002.

(4): Office building located in Paris, at 92 avenue des Champs-Élysées, 75008.

(5): Office building located in Paris, at 5 rue Paul Cézanne, 75008.

(6): Office building located in Paris, at 103 rue de Grenelle, 75007.

It is noted that Colonial and Predica are not acting and do not intend to act in concert in connection with the Transaction.

For more information regarding the Transaction, see the presentation to the market which the Company is expected to publish through the relevant communication on the Spanish Securities Market Commission (the “CNMV”) website (www.cnmv.es) and on Colonial’s corporate website (www.inmocolonial.com), as well as the documents regarding the Offer that will be published on the AMF’s website (www.amf-france.org) and on the CNMV’s website (www.cnmv.es).

2.2 *Reasons for the motion for a capital increase by way of non-cash contributions*

The purpose of the Capital Increase to be subscribed by SFL Minority Shareholders that is the subject of this report is the issuing of the Colonial shares necessary to acquire, through non-cash contributions, all the SFL shares to which the Offer will be directed.

The motion for the Capital Increase to be subscribed by SFL Minority Shareholders is justified, from the point of view of Colonial’s corporate interest, in the rationale for the Transaction as a whole, insofar as the corporate transactions that make up the Transaction are interrelated. The Transaction, which encompasses the Capital Increase to be subscribed by SFL Minority Shareholders, will enable Colonial to increase its stake in SFL’s share capital to at least 94.1% (it currently stands at 81.7%), allowing for the possibility of acquiring all of SFL’s share capital.

From a strategic point of view, both the Capital Increase to be subscribed by Predica (referred to in first item on the agenda) and the Offer and the corresponding Capital Increase to be subscribed by SFL Minority Shareholders, which are part of the Agreements Reached, are corporate transactions which are significantly in the interest of the Company since they are aimed at increasing the competitiveness of the Colonial Group in the European market, consolidating its leadership in the prime office sector, reinforcing its capital to improve its capacity for growth, and increasing shareholder remuneration. In particular, the Transaction will allow Colonial to expand and strengthen its presence in the French market, the leading European office market, to help consolidate Colonial as one of the main players in the European real estate sector, specialized in the leasing of prime offices, improving the position of the Colonial Group with regard to investment opportunities and market challenges that may arise in the Spanish and French prime office markets. The Transaction responds to Colonial Group’s active development and growth policy, as well as to the consolidation of its position.

In this way, the increase in Colonial’s stake in SFL’s share capital will allow the Company, among other things, to:

- Increase its share capital, increasing NTA (previously called NAV). In this regard, it is estimated that the Colonial Group’s NTA could increase by up to approximately 400 million euros.
- Increase the dividend distributed by SFL.
- Increase the earnings per share and the net asset value per share for Colonial shares.
- Simplify Colonial Group’s shareholder structure.
- Expand Colonial’s free float. In this regard, it is estimated that the free float of Colonial could increase by up to approximately 400 million euros (in terms of NTA).

Furthermore, both the Capital Increase to be subscribed by Predica and the Capital Increase to be subscribed by SFL Minority Shareholders are corporate transactions in line with the strategy that Colonial has been developing in relation to its stake in SFL. For example, in November 2018, after the corresponding approval of the transaction by Colonial’s General Meeting of Shareholders, a capital increase was carried out by way of non-cash contributions for a nominal amount of 133,809,507.50 euros, the consideration of which consisted of SFL shares owned by Qatar Holding LLC and DIC Holding LLC, allowing Colonial to obtain a 80.74% stake in SFL’s share capital.

In view of the above, Colonial's Board of Directors considers that the Capital Increase to be subscribed by SFL Minority Shareholders proposed to Colonial's General Meeting of Shareholders is necessary to fulfill the Transaction and is in line with the Company's best interest.

3. Description of the planned non-cash contributions

The planned non-cash contributions consist of 2,517,764 SFL shares representing approximately 5.4% of SFL's share capital, of the same class and series, fully paid up and free of charges and encumbrances. This number of SFL shares has been determined under the assumption that all of the SFL shares to which the Offer will be aimed are transferred to Colonial, i.e., 2,517,764 SFL shares.

Société Foncière Lyonnaise (SFL) is a French public limited company (*Société Anonyme*) registered with the Registre du Commerce et des Sociétés de Paris under number 552 040 982 (NAF code 6820B), with registered offices in Paris (France), 42, rue Washington (75008) whose shares are traded on Euronext Paris (regulated French market). SFL is regulated as a listed real estate investment company (*Société d'Investissement Immobilier Cotée* or SIIC). On 31 December 2020, SFL owned 20 buildings in Paris, with a combined total surface area of approximately 393,000m², valued at 7,458 million euros.

4. Valuation of the planned non-cash contributions and criteria used

The same valuation criteria used to determine the value of the planned non-cash contributions for the Capital Increase to be subscribed by Predica (referred to in first item on the agenda) have been used to determine the value of the planned non-cash contributions for the Capital Increase to be subscribed by SFL Minority Shareholders.

In this regard, different valuation methods have been considered to establish the value of the SFL shares owned by SFL Minority Shareholders which are being transferred to Colonial as part of the Capital Increase to be subscribed by SFL Minority Shareholders. All these methods are widely accepted by the international financial community, including:

- **Asset valuation:** this method values a company's assets and then subtracts all liens on those assets, as well as any other outstanding debts or liabilities that the company may have with third parties. In this regard, for companies operating in the real estate sector, the most internationally relevant appraisal method is based on the EPRA NTA indicator, which is basically the sum of the company's book value (net asset value - NTA) and the latent capital gains of the investment properties, measured at fair value, adjusting certain items according to the recommendations of the European Public Real Estate Association (EPRA). With this method, the value obtained represents the overall underlying value of property investments combined with other assets, adjusted for the company's financial debt and other liabilities. Specifically, the EPRA NDV —net disposal value— (previously the EPRA NNAV) consists of the EPRA NTA adjusted to include the fair value of (i) financial instruments, (ii) debt, and (iii) deferred taxes.
- **Comparable multiples:** this method, which is commonly used by international (International Financial Reporting Standards) and US accounting standards, estimates the value based on multipliers obtained from comparable companies.
- **Share market price:** this method calculates a company's value based on its share price in a secondary market.

Of the valuation methods analysed, the asset valuation method was considered to be the most relevant, hence taking Colonial's and SFL's EPRA NDV as of 31 December 2020 (both adjusted for dividend to be charged to 2020).

With regard to SFL, the valuations published by the company and carried out by renowned experts in the real estate sector have been taken into account. These have valued each of SFL's property assets individually and have issued the relevant valuation reports in accordance with the valuation and appraisal standards of the Royal Institution of Chartered Surveyors (RICS). As a result, in agreement with the above, the 2,517,764 SFL shares,

representing approximately 5.4% of SFL's share capital, to which the Offer will be directed and which could be transferred to Colonial by SFL Minority Shareholders, have a combined total value of 243,417,423.52 euros, which is equivalent to a value of 96.68 euros per SFL share being transferred.

The Board of Directors believes that the asset valuation method using EPRA NDV (adjusted for dividend to be charged to 2020) is appropriate and, consequently, the valuation of the aforementioned SFL shares is reasonable within the framework of the Capital Increase to be subscribed by SFL Minority Shareholders which is the subject of this report. Therefore, this will be the valuation of the SFL shares for establishing the exchange ratio, once the value of the Colonial shares to be transferred to SFL's Minority Shareholders as consideration has been set, as described in section 6 below.

5. Identification of the contributors

The Capital Increase to be subscribed by SFL Minority Shareholders is intended exclusively for those SFL Minority Shareholders who transfer their SFL shares to Colonial within the Offer's framework.

6. Number and par value of the Colonial shares to be issued as consideration for the planned non-cash contributions. Exchange ratio.

The same valuation criteria used to determine the number of Colonial shares to be issued under the Capital Increase to be subscribed by Predica (referred to in first item on the agenda) have been used to determine the number of Colonial shares to be issued under the Capital Increase to be subscribed by SFL Minority Shareholders, also taking into account the fact that the consideration for the Offer will be mixed, being composed of cash and newly issued Colonial shares.

In this regard, the different valuation methods described in section 4 have been considered to determine the number of Colonial shares to be issued as consideration for the SFL shares owned by SFL Minority Shareholders and being transferred under the Capital Increase to be subscribed by SFL Minority Shareholders.

Following an analysis of the different methods described in section 4, the asset valuation method was considered the most relevant, hence taking Colonial's EPRA NDV as of 31 December 2020 (adjusted for dividend to be charged to 2020), i.e., a valuation of 10.00 euros per share. For these purposes, the valuations published by the Company and carried out by renowned experts in the real estate sector have been taken into account. These have valued each of Colonial's property assets individually and have issued the relevant valuation reports in accordance with the valuation and appraisal standards of the Royal Institution of Chartered Surveyors (RICS).

In due consideration of the valuation of the Colonial shares, and the SFL shares based on the criteria described above, considering the fact that the consideration for the Offer will be mixed, being composed of cash and newly issued Colonial shares, the resulting exchange ratio is 46.66 euros and 5 Colonial shares, with a par value of 2.50 euros each, for each SFL share. Therefore, given that the Offer is for all the SFL shares owned by SFL Minority Shareholders (2,517,764 SFL shares) which are to be transferred to Colonial as consideration for the new shares to be issued by Colonial, a total of 12,588,820 new Colonial shares will be issued with a par value of 2.50 euros each, plus a share premium of 7.50 euros per share.

The new Colonial shares shall entitle their holders to the same voting and dividend rights as the shares of the Company currently outstanding, as of the date on which they are registered in their holders' name in the accounting records.

In connection with the valuations carried out, Morgan Stanley & Co. International plc has issued a fairness opinion addressed to the Company's Board of Directors confirming that, in its opinion as of the date of the report, the consideration payable by the Company in connection with (i) the non-cash contribution of Predica; and (ii) the Offer is fair from a financial point of view to Colonial.

7. Amount of the Capital Increase to be subscribed by SFL Minority Shareholders

As part of the established consideration for the planned non-cash contributions of SFL Minority Shareholders and since the Offer is directed at all SFL shares owned by SFL Minority Shareholders (2,517,764 SFL shares), Colonial's share capital will be increased by a nominal amount of 31,472,050 euros, by issuing 12,588,820 new outstanding ordinary shares with a par value of 2.50 euros each, plus a share premium of 7.50 euros per share, with an incomplete subscription forecast. Therefore, the issue price of each share will be 10.00 euros and the effective amount of the Capital Increase to be subscribed by SFL Minority Shareholders will be 125,888,200 euros.

8. Guarantees adopted to ensure the effective Capital Increase to be subscribed by SFL Minority Shareholders

No special guarantees have been adopted in due consideration of the nature of the items contributed.

9. Preferential subscription rights

Since the Capital Increase to be subscribed by SFL Minority Shareholders compensates non-cash contributions, the Company's shareholders will not be entitled to any preferential subscription rights over the Colonial shares to be issued as a result of the Capital Increase to be subscribed by SFL Minority Shareholders described herein.

10. Deadline for the Capital Increase to be subscribed by SFL Minority Shareholders

In accordance with the provisions of Article 297.1 (a) of the Spanish Limited Liability Companies Law, it is proposed to delegate to Colonial's Board of Directors the power to execute the Capital Increase to be subscribed by SFL Minority Shareholders at any time within the period of one year from the date of the resolution referred to herein is adopted.

As stated in section 2.1 of this report, the Capital Increase to be subscribed by Predica, the Asset Exchange and the Offer are expected to be carried out simultaneously insofar as the aforementioned corporate transactions are interrelated, although each of these transactions, due to their nature, are scheduled to be completed at different times (except the Capital Increase to be subscribed by Predica and the Asset Exchange which are expected to be completed simultaneously). In this regard, it is proposed to delegate to Colonial's Board of Directors the power to refrain from executing the resolution referred to herein in the event that the conditions set out in the Agreements Reached are not met.

11. Incomplete subscription

As the Offer may not be accepted by all the shareholders to whom it is addressed, the possibility of the incomplete subscription of the Capital Increase to be subscribed by SFL Minority Shareholders is expressly provided for. Consequently, in the event of an incomplete subscription, the Capital Increase to be subscribed by SFL Minority Shareholders shall be limited to the amount corresponding to the par value of the new Colonial shares actually subscribed and paid up as consideration for the SFL shares actually transferred.

12. Amendment to Article 5 of the Company Bylaws

It is proposed to grant the Company's Board of Directors with the power to redraft Article 5 of Colonial's Bylaws on the share capital, based on the final number of new Colonial shares that are effectively subscribed and paid up by SFL Minority Shareholders.

13. Independent expert

Notwithstanding the fact that the contributions consist of securities traded on a regulated market, in order to offer greater security to the Colonial shareholder and in due consideration of possible interpretations of the existing legal framework, Colonial's Board of Directors has decided to exercise the most prudent alternative and

has issued a request to the Commercial Registry to appoint an independent expert to draw up a report on the non-cash contribution, pursuant to the provisions of Article 67 of the Spanish Limited Liability Companies Law.

In this regard, the Commercial Registry has appointed Grant Thornton, S.L.P. Sociedad Unipersonal as the independent expert. Its report will be permanently available to Colonial's shareholders, at the time of convening the General Meeting of Shareholders and until such meeting has been held, on the Company's corporate website (www.inmocolonial.com).

* * * *

This report was prepared and approved by Colonial's Board of Directors at a meeting held on June 3, 2021.

APPENDIX

MOTION TO AUTHORIZE A CAPITAL INCREASE BY WAY OF NON-CASH CONTRIBUTIONS, CONSISTING OF SHARES IN SOCIÉTÉ FONCIÈRE LYONNAISE (SFL) OWNED BY SFL SHAREHOLDERS WHO TRANSFER THEIR SHARES TO THE COMPANY AS PART OF THE TAKEOVER BID THAT THE COMPANY INTENDS TO FILE FOR SFL.

Capital increase by way of non-cash contributions for a nominal amount of 31,472,050 euros, by issuing 12,588,820 new outstanding ordinary shares with a par value of 2.50 euros each, of the same class and series as current outstanding shares, their consideration being shares in Société Foncière Lyonnaise (SFL) owned by the SFL shareholders who transfer their shares to Inmobiliaria Colonial, SOCIMI, S.A. under the takeover bid that the company intends to file for SFL. Delegation of powers.

The General Meeting of the Shareholders of Inmobiliaria Colonial, SOCIMI, S.A. (“**Colonial**” or the “**Company**”) agrees to a capital increase by way of non-cash contributions in accordance with the terms established below, all with the purpose of acquiring 2,517,764 shares in Société Foncière Lyonnaise (“**SFL**”) representing approximately 5.4% of its share capital, owned by the SFL shareholders (the “**SFL Minority Shareholders**”) who transfer their shares to Colonial as part of the takeover bid that the Company intends to file for SFL (the “**Offer**”) and where the consideration partially consists of Colonial shares. In this regard, the consideration under the Offer will be a mixed consideration, consisting of cash and newly issued Colonial shares, resulting in an exchange ratio of 46.66 euros and 5 Colonial shares, each with a nominal value of 2.50 euros, for each SFL share subject to the Offer.

For the purposes of this resolution, all capitalised terms not expressly defined shall have the meaning ascribed to them in Colonial’s Board of Directors’ report on this resolution.

1. Capital increase by way of non-cash contributions

An increase of Colonial’s share capital is agreed for a nominal amount of 31,472,050 euros, by issuing 12,588,820 new outstanding ordinary shares with a par value of 2.50 euros each, of the same class and series as current outstanding shares (the “**Capital Increase**”). The consideration for the new Colonial shares issued under the Capital Increase will consist of non-cash contributions, specifically, the SFL shares described in section 2 of this resolution.

2. Description of the planned non-cash contributions

The planned non-cash contributions consist of 2,517,764 SFL shares representing approximately 5.4% of its share capital of the same class and series, fully paid up and free of liens and encumbrances, which are currently traded on Euronext Paris. This number of shares has been determined under the assumption that all of the SFL shares to which the Offer will be aimed are transferred to Colonial, i.e., 2,517,764 SFL shares.

Société Foncière Lyonnaise (SFL) is a French public limited company (*Société Anonyme*) registered in the Registre du Commerce et des Sociétés de Paris under number 552 040 982 (NAF code 6820B), with registered offices in Paris (France), 42, rue Washington (75008) whose shares are traded on Euronext Paris (regulated French market). SFL is regulated as a listed real estate investment company (*Société d’Investissement Immobilier Cotée* or SIIC).

3. Identification of the contributors

The Capital Increase which is the subject of this resolution is solely intended for those SFL Minority Shareholders that transfer their SFL shares to Colonial under the Offer.

4. Number and par value of the shares to be issued

As consideration for the planned non-cash contributions, 12,588,820 new Colonial ordinary shares with a par value of 2.50 euros each will be issued. Therefore, the total nominal amount of the Capital Increase will be 31,472,050 euros.

5. Issue price of the new shares and effective amount of the Capital Increase

The new Colonial shares will be issued at a unit par value of EUR 2.50 each, plus a share premium of 7.50 euros per share. Therefore, the issue price of each share will be 10.00 euros and the total effective amount of the Capital Increase will be 125,888,200 euros.

6. Guarantees adopted to ensure the effective Capital Increase

No special guarantees have been adopted in due consideration of the nature of the items contributed.

7. Subscription and payment of the new shares

The new Colonial shares will be subscribed by SFL Minority Shareholders, and the par value and the share premium will be fully paid up when the deed establishing the Capital Increase is executed.

8. Preferential subscription rights

Since the compensation for the Capital Increase consists of non-cash contributions, the Company's shareholders will not be entitled to any preferential subscription rights over the Colonial shares to be issued as a result of the Capital Increase referred to herein.

9. Incomplete subscription

The possibility of the incomplete subscription of the Capital Increase is expressly provided for. Consequently, in the event of an incomplete subscription, the Capital Increase shall be limited to the amount corresponding to the par value of the new Colonial shares actually subscribed and paid up as consideration for the SFL shares actually transferred.

10. Rights attached to the new shares

The new Colonial shares shall entitle their holders to the same voting and dividend rights as the shares of the Company currently outstanding as of the date on which they are registered in their holders' name in the related accounting records.

11. Representation of the new shares

The new Colonial shares shall be represented by book entries and the accounting records shall be kept by *Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U.* ("Iberclear") and its participating entities.

12. Amendment to Article 5 of the Company Bylaws

The Board of Directors will have the power to redraft Article 5 of Colonial's Bylaws on the share capital, based on the final number of new Colonial shares that are effectively subscribed and paid up by SFL Minority Shareholders.

13. Admission to trading of new shares

It is resolved that the admission to trading of the new Colonial shares on the Madrid and Barcelona Stock Exchanges and on any other domestic or international markets in which the Company's shares are admitted to trading at the time of execution of this resolution shall be requested and for those shares to be included in the Spanish Stock Market Interconnection System (*Sistema de Interconexión Bursátil Español* or SIBE).

It is expressly stated that, in the event a request is subsequently made for the Company's shares to be delisted, such delisting shall be adopted in accordance with the procedures and requirements of the current legislation.

14. Delegation of powers

Notwithstanding the specific delegations of powers set out in preceding sections (which should be understood as granted with express powers to replace the persons indicated herein), it is resolved to empower the Board of Directors, to the fullest extent required by law and with the express power to substitute the Chairman, CEO, the Corporate Managing Director and Secretary and Vice Secretary of the Board, so that any of them, within a period of a year, interchangeably and with a single signature, may take any necessary or advisable actions to execute this resolution, specifically, including but not limited to:

- Expand and develop this resolution, setting those terms and conditions not provided for, and, in particular, set the effective date for the Capital Increase, among other things.
- Prepare, subscribe and submit, as appropriate, to the Spanish Securities Market Commission (the "CNMV"), the French financial markets regulator (the "AMF") and/or such other supervisory authorities as may be appropriate, in relation to the issuance and admission to trading of any new Colonial shares issued under this resolution, (i) any prospectuses and supplements thereto as may be necessary or appropriate, undertaking responsibility therefor; and (ii) any documents and information as may be required for the purposes of compliance with the provisions of *Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017 on the prospectus to be published when securities are offered to the public or admitted to trading on a regulated market, and repealing Directive 2003/71/EC*, in the consolidated text of the Securities Market Law approved by Royal Legislative Decree 4/2015, of 23 October and in their corresponding implementing provisions. In particular, to the extent that the Capital Increase is directed at acquiring SFL shares under the Offer, this delegation of powers includes the necessary or appropriate powers to take any action on behalf of the Company, make any statements and any arrangements in relation to the Offer with the CNMV, the AMF, Iberclear, Euroclear, stock exchange management companies and any other Spanish or foreign public or private body, entity or registry.
- Declare the Company's share capital to have been subscribed and paid up following the Capital Increase, even when the total number of shares is not yet subscribed, and subscription is incomplete, with the possibility of the Capital Increase being concluded with the amount of the subscriptions executed, with express authorisation to change the number of SFL shares to be transferred by SFL Minority Shareholders, and therefore the number of new Colonial shares to be transferred as a consideration, within the nominal amount of the capital increase agreed by the General Meeting of Shareholders in this resolution.
- Adopt all the legally required resolutions, as well as carry out all the necessary or appropriate actions for the formalisation of this resolution, including the power to modify the corresponding article of the Bylaws relating to the Company's share capital.
- Take any action on behalf of the Company, make any statements and any arrangements with the CNMV, the AMF, Iberclear, Euroclear, stock exchange management companies and any other Spanish or foreign public or private body, entity or registry for the purposes of authorisation, verification and subsequent performance of the Capital Increase under this resolution and the admission to trading of the new shares on the Madrid and Barcelona Stock Exchanges and on any other Spanish or foreign markets on which the Company's shares are listed at the time of execution of this resolution, and the inclusion thereof in the Spanish Stock Market Interconnection System (SIBE).
- Negotiate and sign, as the case may be, in the terms it deems most appropriate, any contracts that may be necessary or advisable to carry out the Capital Increase addressed in this resolution.
- To request the admission to trading of the new shares on the Madrid and Barcelona Stock Exchanges and/or on any other Spanish or foreign markets on which the Company's shares are listed at the time of

execution of this resolution, and the inclusion thereof in the Spanish Stock Market Interconnection System (SIBE).

- To adopt or reject the application, where appropriate, of the special tax systems established by the regulations for this type of transactions.
- Execute on behalf of the Company such public or private documents as required or appropriate to issue the new shares covered in this resolution and to admit such shares to trading and, in general, perform such legal formalities as required for the execution thereof and rectify, clarify, interpret, specify or supplement the resolutions adopted by the shareholders at the Annual General Meeting, in particular, such defects, omissions or errors, in substance or in form, arising from the oral or written assessment, that may prevent registration of the resolutions and related consequences at the Mercantile Registry, the official registries of the CNMV or any other registries.
